

Dear Participant of the YSSS08 in Zelenogorsk

This is to inform you about the possibility to travel by train from Helsinki to Vyborg and continue from there towards Zelenogorsk. FMI will arrange one or more group tickets to the train. (A group can consist of minimum 3 passengers). The train timetables are every day: (note the time difference: the local time in Vyborg is one hour ahead of Helsinki)

Helsinki	Vyborg	Helsinki
7.23	11.55	
15.23	20.23	
	9.37	12.35
	19.04	21.58

From Vyborg, there will be a possibility to continue with a local train or by arranged bus to Zelenorsk. This trip takes about one hour.

If there will be enough interested participants, we could purchase tickets for the morning and/or the afternoon train on Sunday 6 July, return on Sunday 13 July and Tuesday 15 July. Also other combinations are in principle possible but should be agreed separately.

Now, please let us know your planned/suitable days and times, so that we can make a suggestion and then purchase the tickets. FMI will pay all the tickets, and charge the price (around 70 euros/person for the return ticket in a group) from the non-FMI COST/Tempus participants.

To join the group, please send an e-mail to Hanna Manninen with a copy to Tanya Ermakova,

P.S. We will use your passport information, if available at RSHU already. If not, please inform the issuing country of your passport and the passport number. The Finnish Railways may ask this information.
